To whom it may concern:

I have worked with Baker Contracting on several projects over the last few years and it has always been a pleasure to work with Scott and his team. Baker Contracting always approaches every project from beginning to end with a professional attitude and a commitment to give the client the best service possible.

I found working with Scott to be very positive experience. He is very diligent, hard working, budget conscious, and is always fair and honest with owners. I never hesitate to recommend Baker Contracting because, I know Scott will always go the extra mile to make sure the owner is completely satisfied with the end result.

Respectfully yours,
